

HUMAN SCIENCE AND COLLEGE PREPARATION COURSE

Introduction:

OVCMT students who have experienced our first year have recommended to us that we reinstate a prerequisite/preparatory human science course. They feel it would be very helpful in preparing students for the first year of massage therapy college. The course content has been developed utilizing feedback from these students.

Instructor:	Dr. Julie Dais
Start Date:	Tuesday, August 3, 2010
Completion of Classes:	Monday, August 23, 2010
Final Exam:	Wednesday, August 25, 2010 at 9:00 am
Cost:	\$400.00
Textbook:	Kuntzman/Tortora - Anatomy & Physiology for the Manual Therapies (This is one of the required Year 1 textbooks.)

Classes run Monday through Friday from 8:30 am to 11:30 am.

Course Outline:

- Time Management and Study Skills
- Medical Terminology
- Introduction to the anatomy and physiology of the human body
- Introduction to the musculoskeletal system.

Passing grade for this course is 70%. A passing grade is required in order to proceed to the full Year 1 program.
