

Therapy II & III

2010

Dr. Vodder School™
INTERNATIONAL

Authorized by the original Dr. Vodder Schule - Austria

Learn the applications of your Basic and Therapy I techniques to pathologies.

- The management of lymphedema with Combined Decongestive Therapy including: Manual Lymph Drainage, Bandage Compression, Exercise Therapy, Skin Care and the use of Compression Garments.
- Venous insufficiency edema and ulceration, scar tissue, orthopedic applications and more!

Instructors include Hildegard and Andreas Wittlinger, Directors of the Dr. Vodder Schule Walchsee, Austria, Robert Harris, Director of the Dr. Vodder School - International and an attending physician. (Instructors vary according to location and numbers of participants registered).

What past Graduates had to say about the Therapy II & III course:

"There wasn't anything I didn't find useful. All the supervised "hands-on" was wonderful and Prof. Wiessler is just a gift to this field." **Jan Hollerbach, MA, OTR/L, Fairfield, CT;**

"The 3 instructors each had their own experiences and knowledge that we were able to pull from. Their combined years of experience in the field alone was PRICELESS." **Ronald Cence, MT, Edensburg, PA;**

"Learning other ways to use MLD besides for Lymphedema was most useful." **Sandy Manns, PTA, Jackson, IN;**

"We've been working very hard here and I have to say that your training made me feel really prepared for what landed in my lap, even the day after I arrived back from your course." **Patti Loebs, RN, CHTP, Murrels Inlet, SC.**

Course Fee (includes an instructional lymphedema DVD, handout manual, a complete set of the required bandages & massage table rental). Receive a **\$50 discount** if full payment is received two months before the class begins. Receive a **\$25.00 refund** if applicant brings his or her own massage table (not required for the November class). *Full payment is due one month prior to commencement of class.*
