We are students in the OV College of Massage Therapy program who live together in a 2700 sq ft home backing onto Mission Hill Park. (Close to school)

We want to add 2 more students.

Currently the house has a November 2018 graduate of the program and two 1<sup>st</sup> year students.

Within walking distance of the school and the bus stops immediately to the left of the driveway.

We expect the successful applicant to participate in keeping our home clean and spacious as it's a gorgeous home on a beautiful spot with views of the whole valley. Private backyard with a gate onto the park.

We do have a dog so please don't be allergic.

This is a student environment focused on learning and a great place to study with support of other students.

The room can be furnished with a bed, dresser and desk but you are welcome to bring your own.

Plenty of extra storage.

New W/D 2 full bathrooms Kitchen and home is fully furnished. 1<sup>st</sup> Lease until September (time of new student intake) with 1/2 months rent as security deposit. Pet negotiable.
