

1 Bedroom for Rent, Shared Accommodation

Hello,

I am a female looking for a roommate in a small and cozy/charming 2 bedroom condo. It is within walking distance to a bus stop, 3 grocery stores, and the mall. No smoking, no pets (sorry, non negotiable).

Looking for someone responsible- preferably an OVCMT student or business professional that is fairly quiet and tidy.

The condo is furnished, and the available bedroom has a closet, boudoir and dresser. You would need to provide your own bed.

If this sounds like a good fit for you, please drop me a line.
