

Job posting for RMT – Lighthouse

Lighthouse Health has been a premiere health care facility in Kelowna BC for 12 years. We are located in the Landmark District; centrally located, with ample free parking for our patients.

We currently have 3 full time chiropractors, 2 full time RMT and 2 Kinesiologists. We are looking for an additional RMT that fits our vision and values. The position is available immediately.

No one individual profession (or person) makes up Lighthouse, we are dedicated to creating a healing centre that truly meets and exceeds our patient's needs. Our team works together to create an environment that is patient focused and bigger than all of us.

Our administrative team is enthusiastic, well trained and motivated to help you build the practice of your dreams.

In addition to clinical and operational excellence, our doctors have had experience mentoring associates from a variety of natural professions over the past fifteen years. Our goal is to give you every opportunity to succeed.

Lighthouse exists to increase the quality of health of our clients, consistently outperform current clinical standards of practice and be the go to office in the Okanagan for wellness.

Our professionals operate with a level of integrity that is second to none. We are committed to push ourselves and each other to be in the forefront of our chosen profession. Furthermore, we do it joyfully and with passion.

We have an extensive list of referrals ready to book with you. Interdisciplinary collaboration is a priority at Lighthouse to give our patients amazing outcomes.

Excellent admin support, janeapp, room, table, linens, oils and laundry facility all included. Online presence through website, social media and marketing well established. Opportunity to participate in educational workshops available.

Combination of split fee and capped fee available so you can sustainably grow your practice.

Room is available all day Thurs-Mon.
