

**Lecturer** - OVCMT is seeking a Physiotherapist to conduct a 1 day lecture on TENS, Ultrasound, taping and related areas of scope for Physiotherapy.

Do you want to Engage Students with your passion for the human body?

Building a healthy interdisciplinary awareness of partners in alternative professions is a hallmark of providing excellence in patient care and referral.

At Okanagan Valley College of Massage Therapy, we educate the massage therapy leaders of tomorrow. We offer a creative, dynamic work environment with a collaborative student centered approach

Lecturer candidates must have 2 years in their regulated field, formal teacher training preferred. Must be available for 2 lecture dates per year, which are scheduled with some flexibility well in advance.

For over 20 years, OVCMT has graduated registered massage therapists of the highest calibre. Our reputation for excellence shines through both our staff and our graduates. At OVCMT we are committed to providing the highest possible standards of education in massage therapy today. We provide a supportive positive environment where students develop the knowledge and skills essential to becoming registered massage therapists. We integrate academic content, practical skills, research and the application of critical thinking.

Come for the Job, stay for the community.
