

Looking for a student to rent a furnished room with desk, queen bed, side table, closet and large window.

This bedroom is on the opposite side of the house from the other bedroom with plenty of privacy. There's a workout room your welcome to use. A washroom shared with one female. You have full use of the house the kitchen is fully stocked with everything you'd need. Also living room with cable , washer and dryer . Fully fenced yard with large deck to sit out and enjoy .

This rental would be shared with one couple who are around 30 years of age. They are non smokers and don't do drugs . Live healthy lifestyles and would expect the same from anyone joining them in the house. The male works full time during the week in Kelowna and the female works full time, but will be a student in January at the massage school. This is a safe quiet place to call home and study. They also have a 7 year old very well behaved male dog.

Open to allowing one other pet as they have no concerns as their dog has lived with other cats and dogs before . But the additional pet would have to be approved first with a meet and greet .
Parking for one vehicle right out front of the house on the road.

Looking for someone who is respectful , quiet and clean. Looking to rent per semester or for a year at a time. Depending on your study periods .

Proof of enrolment is a must. May also ask for references.
