

Housing Opportunity

Room for Rent \$650 - Utilities Included

House is 15 walk to college in East Hill. Shared with the female owner who is an RMT. Occasionally my partner and his dog would be staying with us.

We would be sharing the bathroom, and kitchen.

Im looking for a mature student, who would also be ok staying on their own if im away for a while.

Im interested in Permaculture, skiing, hiking, biking.

If you think you may be interested. The room would be available beginning of September
