

I have a room to rent in my house and would like to know if you could possibly post it on your student postings. The room is a fully furnished one bedroom real. It comes with a double bed, desk, a good office chair, dresser, bedding and towels. The student will be sharing the upper level of a three-bedroom Suite and we'll be sharing the living room dining room kitchen and main bath which is directly across from the students room. I have my own ensuite so I will only be using the shower in the main bathroom. I do allow responsible smoking outside but not in the house. I have dogs and a cat so the student should be aware of that. I also have a spare room with a massage table that can be shared. I'm looking for approximately \$500 a month and it includes all utilities, Wi-Fi, and Netflix. Students should be responsible for all their own food oh, there is a parking spot in front of our house, if they need to take a bus it is a 1 minute walk from my house. Please let me know if there are any changes or anything that needs to be added to this. Jan at 250 306 3643,
