

Room for Rent

Cute Bungalow Super Close to Town

Two room options available: (both are furnished) and available Sept 1st.

Small room \$615 + ult (approx. \$50/month)

Small room has a desk by the window built in with lots of cupboard space.

Large room \$650 + ult

Master bedroom with queen size bed

This is shared accommodation. I work (a ton) so am not often home, however there are days that I work from my home office. When I'm not home, I'm usually out riding my mountain bike or skiing (depending on the season). The house is a quiet place for studying with a wonderful garden for outside space.
