

My name is Crystal and I have my room to rent until Sept. (possibly longer) in a 2 bedroom condo on Alexis Drive. I have a girlfriend starting the course in Sept. It is very clean and quiet so no one that smokes or parties as I have a roommate Dan (35) who works full time and spends any spare time paragliding.

It will be \$575 everything included and furnished (can remove the mattress if you would like but dressers are staying). There is a washer in the condo but we also have shared laundry facilities in a separate building. Everything is walkable (10 min.), grocery stores, hockey rink, downtown, rec centre, farmers market. 20 min. bike to kin beach.
