

## OV Student looking for two roommates - \$600/month including utilities!

I am looking for two roommates to rent out two separate bedrooms. Located in a beautiful, brand new townhouse that's just being finished next week! I wanted to reach out to you first, as I'd rather rent to people in my program so we have similar schedules and possibly carpool and what not! It will be ready to rent as of Oct 1st. The townhouse is located on Mountain View Avenue in Lumby, just 15-20 minutes outside of Vernon, depending if you cruise or not. Rent is \$600 per room, utilities included, not furnished. It would be a shared living space and kitchen with me and my puppy Reggie. He is a 6 month old Cocker spaniel, so you must love pups as we are a packaged deal! Please text 250.949.1997 with any questions. Look forward to hearing from you!
