We have a '5 bedroom Guest Suite' in our home. This is a 3500 square foot suite. It has 5 bedrooms each with it's own bathroom. There is a common living room, full kitchen, and in-suite laundry. Bedrooms 1, 2, 3, and 4 (12 x 12) have a queen bed, private ensuite, dresser, closet, and their own TV. Bedroom 5 has it's own dedicated bathroom as well; it is a very large room (18 x 18) with a king bed, a sofa bed, desk, closet, but no TV.

Each of the 4 bedrooms is ideally suitable for one student each and are \$700 each per month with one person per room. Bedroom 5 would be suitable for a 'couple' and is \$1000 per month if the room is occupied by a couple. Rent includes utilities, wifi, and cable. \$350 per person damage deposit.

We are looking for responsible, respectful tenants who will make every effort to get along with their fellow house mates. No drugs, no partying, no smoking, no pets allowed. We also live on site in a separate suite.

Rooms available September 8, 2019 through to May (ideally the middle of May)
