

On-Site Safety Plan

- Entry requirements: physical distance, sanitize, log in with temperature, sanitize again.
- Campus divided into two areas
- Protective barriers in reception
- Limited number of students/staff on site
- Posted Occupancy limits
- One-way hallways
- Reduced furniture to maximize space
- Thermophores, Hydrocollators, Paraffin - **Hydrotherapy Class Only**
- Hand sanitizer, hand wash stations throughout the college
- Disinfecting protocols in place
- PPE: Mandatory masks for everyone. Mandatory aprons when doing treatments or demonstrations. Goggles available – optional. Students bring own masks and aprons.
- Training for students and staff
- Increased cleaning and disinfecting measures
