Hello students

I have used my furnished upstairs suite as a wonderful, cozy and safe environment for students for years.

1 bedroom
1/2 bath...we do share the shower
Livingroom
Foyer with desk and bookshelf
Spare storage galore
Small refrigerator
Shared kitchen
Completely self contained and private
Laundry
Back door entry

All utilities included...wifi...no smoking...on bus route...15 min walk to College...close to all amenities.

\$650 a month...slightly negotiable if you choose to cook and eat in your suite. I'm looking for a mature, responsible and quiet female who takes her schooling seriously.
