Tiny House available Sept 15 2023

1 bedroom 1 bathroom tiny house on a hectare of forested land 15 mins to downtown and 15 mins to Silver Star. This is a unique and adventurous style of living - you must be ok with climbing a ladder into a loft, using a composting toilet, and have good winter tires. The entire house is yours. You also have access to a garden space and 80 acres of hiking trails next door. The neighborhood is very peaceful and quiet. I am a former OVCMT student and currently work as an RMT.

\$900/month utilities included Available September 15 2023
