

Soon-to-Be Registered Massage Therapist (RMT)

Massage Therapy Students and Graduates – We are here for You!

We know you have worked hard through your program and never stopped striving to become a dedicated and caring therapist. Your continued commitment to the profession is tremendously appreciated. And we would like to continue supporting you during your transition from the classroom to a clinic environment. Our Team is well equipped and ready to help you meet your professional goals in this rewarding profession by offering an uplift in your career during this time of uncertainty.

At Massage Addict, you won't go it alone. You'll be surrounded by a team of fellow RMTs—in a nurturing and professional environment that is dedicated to supporting you and your career.

You'll enjoy a great work-life balance with flexible scheduling and zero admin work. You'll work side-by-side with like-minded professionals while we work behind the scenes to fill your schedule and provide all the support you need, including full-time reception coverage, supplies, billing, and booking services.

You'll focus 100% on providing the very best treatment for your clients while earning an attractive, predictable income. As a full-time therapist, your compensation package you will also include:

- Flexible schedule to meet your work-life balance
- Immediate client base with loyal and valued clients
- Optional Extended Health Care Benefits
- Free & unlimited access to an online learning platform to meet your professional and training goals
- Predictable bi-weekly income
- Supportive Team environment with lots of RMT collaboration
- Access to an online booking system

Feel free to reach out to us if you have questions or would like to learn more about our clinics and the future opportunities we have at careers@massageaddict.ca.
