Good morning,

I wanted to reach out and inform you we are currently renovating multiple apartment units on top of Sun Valley Mall. We are trying to provide a very high standard of living and cultivate a young professional community. I thought this could be directly beneficial to your students as it is in very close proximity to your college. If any of your students would be interested in long or short term rentals I would love to discuss how to accommodate each other.

Please see some photos of our most recent bachelor suite. We also have 1 bed 1 bath + den with patio available.

Thank you in advance for your time and if you would like to have a meeting I would be happy to.
