

# ROOMMATE(S) WANTED

## SOUTH BX IN VERNON, BC

---

We are a young couple who recently bought our small home in the South BX looking for roommate(s) who are cool with chickens and a cat roaming around. We have two bedrooms to choose from available for rent, which will be or can be partially furnished (desk and bed). If you're a gardener there's lots of outdoor space but it might need some effort to get started. One room is much larger, both have closets. Parking onsite available, biking distance into downtown and bus stop a good walk away. Utilities will be shared but rent should be about \$500 for the smaller room, \$550 for the larger room. Great location near town but with a rural feel. Email us for more info: Hailey & Odin - [hrilkoff@hotmail.com](mailto:hrilkoff@hotmail.com).
